Such nomination does not promise in the executive chair inflexible official innotwithstanding the fact that Lieut.
Greely himself, in his letter addressed to you from Lady Franklin bay bearing date of August 15, 1881, said:

Dodge Crry, July 21.—Thos. Nixon, tegrity, cool and wise judgement, a deputy marshal of this city, was murdered by Deputy Sheriff Dave Mathurshing determination to promote the property of the city of the cit

> Independent voters have generally supported Republican nominations as more surely promising reform than those of the Democratic party. Independents, however, cannot support a nomination which is a culmination of the tendency that they would correct. Republicans cannot hope that under such leadership as we have mentloned, the abuses of the past can be corrected or the party reformed. We are very proud of the great record and services of the Republican party, but not with our consent or connivance shall it be disgraced. It is with profound conviction that political morality and purity tion that political morality and purity of administration are more precious of parties have arrived and are fixing than the party that we are now con- up their tents. The meeting is under strained to oppose the Republican the charge of Rev. O. G Cowles of presidential nomination. That nomination has for a time superceded all will be held to-morrow afternoon. It other issues by raising questions of is expected by that time that 1,000 official honesty. This question can't be avoided except upon the plea that need not be considered, and that in order to secure a party president, members of the party ought to vote for any candidate who has been regularly nominated. This is a plea beyond which party madness cannot go. Ac quiesence in it would require a sur-render of the self-respect of every voter. There could be no candidate so untit that this plea would not justi-

ty his support upon practical questions of tariff, finance and other questions upon which both parties are divined within themselves. We are also divided in opinion, and we shall vote, therefore, in the choice of representatives and other officers according to our individual opinions of their political views and their personal character. While the Republican nomination presents a party whom we cannot support, the Dem-A WELL KNOWN STEAM BOAT MAN. ocratic party presents one whose name is the synonym Wheeling, W. Va., July 22.
